

AgSolutions Adapter

PRODUCT DESCRIPTION

AgSolutions Intakes were designed to fit Precision, Hickenbottom, and the AgSolutions Adjustable Mid-Section. The AgSolutions Adapter allows our Intakes to fit Dual wall mid-sections.

Installation Instructions

1. Insert the Adapter into the AgSolutions Intake as shown.

- Using the two 1" screws provided attach the Intake to the Adapter. Insert the screws on opposing sides of the part.

- Insert the finished part into your dual wall mid-section.
